

16th Annual Bluewater Gymnastics Golf Event

Friday, September 8th, 2017

Sawmill Creek Golf Resort & Spa

Camlachie

To Our Supportive Business Community

We would love to have you join us "on the tee" either with sponsorship, with a foursome or with signage to advertise your business to our golfers.

Bluewater Gymnastics has been on the Sarnia sports scene for **over 35 years** and we are looking to a strong future teaching gymnastics fundamentals to the many participants in our programs.

Olympic dreams have been achieved at the highest level of our competitive program as our club was represented at the London 2012 Games by *Domenique Pegg* and *Barbara Gasser*.

We were represented at the 2016 Rio Olympic Games by Club Director *Dave Brubaker* who is Canada's National Team Director Women's Artistic Gymnastics.

At the same time, fitness and lots of fun are being experienced by participants aged 18 months to adults in our recreational programs.

Your financial support will help our not-for-profit organization maintain and expand the specialized equipment and excellent programming.

Please refer to our Golf brochure and Advertising proposal to consider which level of participation is a possibility for your organization.

FOLLOW US on Facebook for updated Tournament information!
